

INVITATION TO BID

2008 Wastewater Facility Fencing Project

The City of Sedro-Woolley is soliciting bids under the city's Small Works Roster process for installation of approximately 490 feet of 72" chain link fence along the east side of City property on Skagit County Parcel #37637, located east of 409 Alexander Street. Information on the project, bid form, contract forms, and technical specifications may be viewed on the city's website at:

<http://www.ci.sedro-woolley.wa.us/BidsAwards/main.htm>.

Chain link fence shall begin at existing wooden fence and continue south approximately 475 feet to existing gate. The south pole of existing gate shall be relocated along property line and gate re-hung. Chain link fence shall continue south another 5 feet to property corner, turn west and continue 10 feet to end of project. All fencing shall include three-strand barbed wire on 45 deg angle brackets. Grading will be by others.

See the attached PUBLIC WORKS AGREEMENT for additional requirements.

Lump Sum bid shall include total construction costs, including tax. Also note:

- Prevailing wage laws apply
- Bidder shall register or maintain registration on the MRSC Consultant Roster
- Prior to award, the lowest, responsive, responsible bidder shall have or obtain a City of Sedro-Woolley business license
- Successful bidder shall call for Utility Locates 48 hours prior to project start date

Bids are due by 4 pm on July 30, 2008. Bids may be submitted in person, by U.S. Mail, facsimile or email to: City of Sedro-Woolley, 325 Metcalf Street, Sedro-Woolley, WA 98284, (360) 855-0771, facsimile 360-855-0733, email dallen@ci.sedro-woolley.wa.us. Results of the bid will be posted on the city website after award.

The City of Sedro-Woolley reserves the right, without any liability on our part, to accept a proposal of the bidder submitting the lowest responsible bid, to reject any or all bids, revise or cancel the work to be performed, or do the work otherwise, if the best interest of the City is served thereby.

Technical questions relating to this request for quotations or to schedule a site visit please contact Debbie Allen or Steve Huizinga at the Wastewater Treatment Plant at 360-856-1100 between the hours of 8:00 am and 4:30 pm.
