

**SR20, Metcalf Street to Township Street Lane Widening and
Pedestrian/Bicycle Improvement Project**

PUBLIC COMMENT SHEET

The City of Sedro-Woolley continues to seek public input on the SR20, Metcalf Street to Township Street Lane Widening and Pedestrian/Bicycle Improvement Project. In addition to verbal comments we receive at public meetings, we encourage citizens to submit written comments on the proposed improvement projects.

- Please give any comments you may have on the meeting time and location, on the adequacy of the meeting facilities and displays, and on the information presented and meeting format.

- Please provide any comments, suggestions, and information you may have regarding the current project (*information could be knowledge of road or drainage conditions or personal property concerns related to the improvements*)

- Please list any general comments you have on the project “Public Outreach” process.
