Federal Summary

**City of Sedro-Woolley
Skagit County
January 1, 2008 through December 31, 2008**

The results of our audit of the City of Sedro-Woolley are summarized below in accordance with U.S. Office of Management and Budget Circular A-133.

FINANCIAL STATEMENTS

An unqualified opinion was issued on the financial statements.

Internal Control Over Financial Reporting:

- **Significant Deficiencies:** We reported no deficiencies in the design or operation of internal control over financial reporting that we consider to be significant deficiencies.
- **Material Weaknesses:** We identified no significant deficiencies that we consider to be material weaknesses.

We noted no instances of noncompliance that were material to the financial statements of the City.

FEDERAL AWARDS

Internal Control Over Major Programs:

- **Significant Deficiencies:** We reported no deficiencies in the design or operation of internal control over major federal programs that we consider to be significant deficiencies.
- **Material Weaknesses:** We identified no significant deficiencies that we consider to be material weaknesses.

We issued an unqualified opinion on the City's compliance with requirements applicable to its major federal program.

We reported no findings that are required to be disclosed under OMB Circular A-133.

Identification of Major Programs:

The following was a major program during the period under audit:

<u>CFDA No.</u>	<u>Program Title</u>
10.766	Community Facilities Loans and Grants

The dollar threshold used to distinguish between Type A and Type B programs, as prescribed by OMB Circular A-133, was \$300,000.

The City did not qualify as a low-risk auditee under OMB Circular A-133.

**Independent Auditor's Report on Internal
Control over Financial Reporting and on
Compliance and Other Matters in Accordance
with *Government Auditing Standards***

City of Sedro-Woolley
Skagit County
January 1, 2008 through December 31, 2008

Mayor and City Council
City of Sedro-Woolley
Sedro Woolley, Washington

We have audited the financial statements of the City of Sedro-Woolley, Skagit County, Washington, as of and for the year ended December 31, 2008, and have issued our report thereon dated September 14, 2009.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit, we considered the City's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the City's ability to initiate, authorize, record, process or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the City's financial statements that is more than inconsequential will not be prevented or detected by the City's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not

identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

COMPLIANCE AND OTHER MATTERS

As part of obtaining reasonable assurance about whether the City's financial statements are free of material misstatement, we performed tests of the City's compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended for the information and use of management, the Mayor and City Council, federal awarding agencies and pass-through entities. However, this report is a matter of public record and its distribution is not limited. It also serves to disseminate information to the public as a reporting tool to help citizens assess government operations.

A handwritten signature in black ink, appearing to read "Brian Sonntag". The signature is fluid and cursive, with the first name "Brian" and last name "Sonntag" clearly distinguishable.

Independent Auditor's Report on Compliance with Requirements Applicable to its Major Program and Internal Control over Compliance in Accordance with OMB Circular A-133

**City of Sedro-Woolley
Skagit County
January 1, 2008 through December 31, 2008**

Mayor and City Council
City of Sedro-Woolley
Sedro Woolley, Washington

COMPLIANCE

We have audited the compliance of the City of Sedro-Woolley, Skagit County, Washington, with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133 Compliance Supplement* that are applicable to its major federal program for the year ended December 31, 2008. The City's major federal program is identified in the Federal Summary. Compliance with the requirements of laws, regulations, contracts and grants applicable to its major federal program is the responsibility of the City's management. Our responsibility is to express an opinion on the City's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the City's compliance with those requirements.

In our opinion, the City complied, in all material respects, with the requirements referred to above that are applicable to its major federal program for the year ended December 31, 2008.

INTERNAL CONTROL OVER COMPLIANCE

The management of the City is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the City's internal control over compliance with the requirements that could have a direct and material effect on a

major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over compliance.

A control deficiency in an entity's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to administer a federal program such that there is a more than remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in a more than remote likelihood that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected by the entity's internal control.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended for the information of management, the Mayor and City Council, federal awarding agencies and pass-through entities. However, this report is a matter of public record and its distribution is not limited. It also serves to disseminate information to the public as a reporting tool to help citizens assess government operations.

A handwritten signature in black ink, appearing to read "Brian Sonntag". The signature is fluid and cursive, with a large, sweeping initial "B".

Independent Auditor's Report on Financial Statements

**City of Sedro-Woolley
Skagit County
January 1, 2008 through December 31, 2008**

Mayor and City Council
City of Sedro-Woolley
Sedro Woolley, Washington

We have audited the accompanying financial statements of the City of Sedro-Woolley, Skagit County, Washington, for the year ended December 31, 2008. These financial statements are the responsibility of the City's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1b to the financial statements, the City prepares its financial statements on the basis of accounting that demonstrates compliance with Washington State statutes and the *Budgeting, Accounting and Reporting System* (BARS) manual prescribed by the State Auditor, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position and results of operations of the City of Sedro-Woolley, for the year ended December 31, 2008, on the basis of accounting described in Note 1b.

In accordance with *Government Auditing Standards*, we have also issued our report on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying Schedule of Expenditures of Federal Awards is presented for

purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. The accompanying Schedule of Long-Term Debt is also presented for purposes of additional analysis as required by the prescribed BARS manual. These schedules are not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

A handwritten signature in black ink, appearing to read "Brian Sonntag". The signature is fluid and cursive, with the first name "Brian" and last name "Sonntag" clearly distinguishable.

NOTE 1 - SUMMARY OF ACCOUNTING POLICIES

The City of Sedro-Woolley uses the revenue and expenditure classifications contained in the *Budgeting, Accounting and Reporting System (BARS)* manual. The manual is prescribed by the State Auditor's Office under the authority of Washington State law, Chapter 43.09 RCW.

The City of Sedro-Woolley was incorporated in December 1898. On September 3, 2007 the City became a Noncharter Code City pursuant to the Optional Municipal Code of the State of Washington, retaining the Mayor-Council plan of government. The City operates under the laws of the state of Washington applicable to a Noncharter Code City. The City of Sedro-Woolley is a general purpose government and provides applicable municipal services. The City of Sedro-Woolley uses single-entry, cash basis accounting which is a departure from generally accepted accounting principles (GAAP).

a. Fund Accounting

The accounts of the City of Sedro-Woolley are organized on the basis of funds, each of which is considered a separate accounting entity. Each fund is accounted for with a separate set of single-entry accounts that comprises its cash, investments, revenues and expenditures, as appropriate. The City of Sedro-Woolley's resources are allocated to and accounted for in individual funds depending on their intended purpose. The following are the fund types used by the City of Sedro-Woolley:

GOVERNMENTAL FUND TYPES:

General (Current Expense) Fund

This fund is the primary operating fund of the City of Sedro-Woolley. It accounts for all financial resources except those required or elected to be accounted for in another fund.

Special Revenue Funds

These funds account for revenues that are legally restricted or designated to finance particular activities of the City of Sedro-Woolley.

Debt Service Funds

These funds account for the accumulation of resources to pay principal, interest and related costs on general long-term debt.

Capital Projects Funds

These funds account for financial resources which are designated for the acquisition or construction of general government capital projects.

PROPRIETARY FUND TYPES:

Enterprise Funds

These funds account for operations that provide goods or services to the general public and are supported primarily through user charges.

FIDUCIARY FUND TYPES:

Fiduciary funds account for assets held by the City of Sedro-Woolley in a trustee capacity or as an agent on behalf of others.

Expendable Trust Funds

These funds account for assets where both principal and interest may be spent.

Non-expendable Trust Funds

These funds account for assets of which the principal may not be spent.

Agency Funds

These funds are used to account for assets that the City of Sedro-Woolley holds for others in an agency capacity.

b. Basis Of Accounting

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. Revenues are recognized only when cash is received and expenditures are recognized when paid, including those properly chargeable against the report year budget appropriations as required by state law.

In accordance with state law the City of Sedro-Woolley also recognized expenditures paid during twenty days after the close of the fiscal year for claims incurred during the previous period.

Purchases of fixed assets are expensed during the year of acquisition. There is no capitalization of fixed assets, nor allocation of depreciation expense. Inventory is expensed when purchased.

The basis of accounting described above represents a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

c. Budgets

Annual appropriated budgets are adopted for all funds. The financial statements include budgetary comparisons for those funds.

Annual appropriated budgets are adopted at the fund level for all funds. The budgets constitute the legal authority for expenditures at that level. Annual appropriations for all funds lapse at the fiscal period end.

The Finance Director is authorized to transfer budgeted amounts between object classes within departments. However, any revisions that alter the total expenditures of a fund, or that affect the number of authorized employee positions, salary ranges, hours, or other conditions of employment must be approved by the City of Sedro-Woolley's legislative body.

d. Cash

It is the City of Sedro-Woolley's policy to invest all temporary cash surpluses. The amount is included in the net cash and investments shown on the statements of fund resources and uses arising from cash transactions. The interest on these investments is prorated to the various funds.

e. Deposits

The City of Sedro-Woolley's deposits and certificates of deposit are covered by the Washington Public Deposit Protection Commission.

f. Investments See Note #3

g. Fixed Assets

Fixed assets are long-lived assets of the City of Sedro-Woolley and are recorded as expenditures when purchased.

h. Compensated Absences

Vacation leave may be accumulated up to 30 days and is payable upon separation or retirement. Sick leave may be accumulated up to 1,440 hours. Upon separation employees do not receive payment for unused sick leave. Upon retirement employees receive payment for 25% of unused sick leave.

i. Long-Term Debt See Note #5

j. Other Financing Sources Or Uses

The City of Sedro-Woolley's "Other Financing Sources or Uses" consist of Operating Transfers-in, Sale of Fixed Assets, Bond Proceeds, and Operating Transfers-out.

k. Risk Management

The City of Sedro-Woolley is a member of the Cities Insurance Association of Washington. Chapter 48.62 RCW authorizes the governing body of any one or more governmental entities to form together into or join a pool or organization for the joint purchasing of insurance, and/or joint self-insuring, and/or joint hiring or contracting for risk management services to the same extent that they may individually purchase insurance, self-insure, or hire or contract for risk management services. An agreement to form a pooling arrangement was made pursuant to the provisions of Chapter 39.34 RCW, the Interlocal Cooperation Act. The pool was formed on September 1, 1988 when 34 cities in the State of Washington joined together by signing an Interlocal Governmental Agreement to pool their self-insured losses and jointly purchase insurance and administrative services. Currently, the CIAW has 97 cities and 162 fire and special districts in the program.

The pool allows members to jointly purchase insurance coverage and provide related services, such as administration, risk management, claims administration, etc. Coverage for Public Officials Liability is on a "claims made basis". All other coverages are on an "occurrence basis". The pool provides the following forms of group purchased insurance coverage for its members: property, general liability, law enforcement liability, automobile liability, employment practices liability, boiler and machinery, bonds of various types, and public official liability.

The pool acquires liability insurance from unrelated underwriters that are subject to a per-occurrence deductible of \$100,000. Members are responsible for the first \$1,000 of the deductible amount of each claim, while the pool is responsible for the remaining \$99,000. Insurance carriers cover insured losses over \$100,000 to the limits of each policy. Since the pool is a cooperative program, there is a joint liability among the participating members towards the sharing of the \$99,000 portion of the deductible. The pool, however, purchases a Stop Loss Policy in the amount of \$5,500,000 to eliminate any risk to members and funds the stop loss in the budget.

Property insurance is subject to a per-occurrence deductible of \$10,000. Members are responsible for the first \$1,000 of the deductible amount of each claim, while the pool is responsible for the remaining \$9,000.

Boiler and machinery insurance is subject to a per-occurrence deductible of \$2,500. Members are responsible for the deductible amount of each claim.

Each new member now pays the pool an admittance fee. This amount covers the member’s share of unrestricted reserves. Members contract to remain in the pool for a minimum of one year, and must give notice before August 31 before terminating participation the following September 1. The Interlocal Governmental Agreement is renewed automatically each year. Even after termination, a member remains responsible for contributions to the pool for any unresolved, unreported, and in-process claims for the period they were a signatory to the Interlocal Governmental Agreement.

The pool is fully funded by its member participants. Claims are filed by members with Canfield & Associates, which has been contracted to perform pool administration, claims adjustment and administration and loss prevention for the pool. Fees paid to the third party administrator under this arrangement for the year ended August 31, 2007 and 2008 were \$1,242,382 and \$1,321,289 respectively.

A governing board is selected by the membership and is responsible for conducting the business affairs of the pool. The Board of Directors has contracted with Canfield & Associates, Inc. to perform day-to-day administration of the pool. This pool has no employees. Copies of the pool’s annual report may be obtained by writing to 451 Diamond Drive, Ephrata, WA 98823.

NOTE 2 - COMPLIANCE AND ACCOUNTABILITY

There have been no material violations of finance-related legal or contractual provisions.

There have been no expenditures exceeding legal appropriations in any of the funds of the City of Sedro-Woolley.

NOTE 3 - INVESTMENTS

The City of Sedro-Woolley's investments are either insured, registered or held by the City or its agent in the City’s name.

Investments by type at December 31, 2008 are as follows:

<u>Type of Investment</u>	<u>Balance</u>
Local Government Investment Pool	\$10,850,456
TOTAL	\$10,850,456

NOTE 4 - PROPERTY TAXES

The county treasurer acts as an agent to collect property taxes levied in the county for all taxing authorities. Collections are distributed after the end of each month. Property tax revenues are recognized when cash is received by the City of Sedro-Woolley. Delinquent taxes are considered fully collectible because a lien affixes to the property after taxes are levied.

The City of Sedro-Woolley's regular levy for 2008 was \$2.1444, the General Obligation Bond levy was \$0.2743, for a total levy of \$2.4187 per \$1,000 on an assessed valuation of \$778,278,230, regular levy and \$765,517,905 bond levy, for a total property tax levy of \$1,878,922.

NOTE 5 - LONG-TERM DEBT

In August 2008, the City of Sedro-Woolley issued a bond payable to the United States Department of Agriculture Rural Development Program totaling \$2,925,000 at 4.125% interest, payable over 40 years. The proceeds were used to pay off a short-term financing bond and retainage for the construction of City Hall. The City Council has designated revenues from the City's cell phone utility tax as the source of payment on this debt. The current revenues are more than adequate to meet the annual payment as well as fully funding the USDA bond reserve requirement.

In May 2008, the City refunded \$4,050,000 of its outstanding sewer revenue bonds with a new issuance totaling \$3,620,000 at 4.0% interest with the same maturity dates as the refunded bonds. The City also received \$1,750,000 in draws on its 2006 Public Works Board Construction Loan and \$2,320,628 in draws on its 2008 Public Works Board Construction Loan for critical sewer interceptor replacement projects. These loans have an interest rate of 0.5% with a 20 year amortization schedule.

The accompanying Schedule of Long-Term Debt provides a listing of the outstanding debt of the City of Sedro-Woolley and summarizes the city's debt transactions for 2008. The debt service requirements, including interest, are as follows:

	<u>General Obligation Bonds</u>	<u>Revenue Bonds</u>	<u>Other Debts</u>	<u>Total Debts</u>
2008	253,224	4,637,425	0	4,890,649

NOTE 6 - PENSION PLANS

Substantially all City of Sedro-Woolley full-time and qualifying part-time employees participate in the Public Employees Retirement System (PERS) or Law Enforcement Officer's and Fire Fighter's Retirement System (LEOFF) administered by the Department of Retirement Systems, under cost-sharing multiple-employer public employee retirement systems. Actuarial information is on a system-wide basis and is not considered pertinent to the City's

financial statements. Contributions to the systems by both employee and employer are based upon gross wages covered by the plan.

Historical trend information showing each system's progress in accumulating sufficient assets to pay benefits when due is presented in the State of Washington's *Comprehensive Annual Financial Report*. Please refer to said report for detailed information.

NOTE 7 – INTERFUND LOANS

During 2008 the City of Sedro-Woolley City Council approved Resolution 779-08 authorizing an interfund loan from the Sewer Cumulative Reserve Fund to the Library Fund for the replacement of the Library roof. The interest rate equals the average of the Washington State Treasurer’s Investment Pool rate for the period which the loan is outstanding. Payments begin in 2009, with the final payment being made in 2011.

The following table displays interfund loan activity during 2008:

<u>Borrowing Fund</u>	<u>Lending Fund</u>	<u>Balance 01/01/08</u>	<u>New Loans</u>	<u>Repayments</u>	<u>Balance 12/31/08</u>
Streets	Sewer Reserve	\$ 31,754	\$ 0	\$ 7,224	\$ 24,530
Stormwater	Sewer Reserve	139,003	0	0	139,003
Library	Sewer Reserve	<u>0</u>	<u>14,540</u>	<u>0</u>	<u>14,540</u>
TOTALS		\$170,757	\$ 14,540	\$ 7,224	\$178,073

NOTE 8 – SHORT-TERM DEBT

The City of Sedro-Woolley was approved by USDA Rural Development to receive a loan totaling \$2,925,000 to construct a new City Hall. Interim financing, not to exceed \$3,800,000, was received from Peoples Bank during the construction period at an interest rate of 3.95%, maturing on September 1, 2008. The balance of the short-term loan of \$2,801,820 was paid in full in August, 2008 by proceeds from the USDA bond.

The Accompanying Notes To The Schedule Of Expenditures of Federal Awards Are An Integral Part Of This Schedule

CITY OF SEDRO-WOOLLEY, WASHINGTON
NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

NOTE 1 - BASIS OF ACCOUNTING

The Schedule of Expenditures of Federal Awards is prepared on the same basis of accounting as the City of Sedro-Woolley's financial statements. The City uses the cash basis of accounting.

NOTE 2 - PROGRAM COSTS

The amounts shown as current year expenditures represent only the Federal grant portion of the program costs. Entire program costs, including the City's portion, may be more than shown.

NOTE 3 - FEDERAL LOANS

The City of Sedro-Woolley was approved by USDA Rural Development to receive a loan totaling \$2,925,000 to build a City Hall. The amount listed includes loan proceeds from interim financing obtained from Peoples Bank during the construction period. As the interim financing is short-term in nature, it is not included on the City's Schedule of Long-Term Debt. In 2008 the City received \$674,718 from Peoples Bank and \$123,180 from USDA for construction. The City also received \$2,801,820 from USDA in long-term debt which was used to pay off the short-term financing.

ABOUT THE STATE AUDITOR'S OFFICE

The State Auditor's Office is established in the state's Constitution and is part of the executive branch of state government. The State Auditor is elected by the citizens of Washington and serves four-year terms.

Our mission is to work in cooperation with our audit clients and citizens as an advocate for government accountability. As an elected agency, the State Auditor's Office has the independence necessary to objectively perform audits and investigations. Our audits are designed to comply with professional standards as well as to satisfy the requirements of federal, state, and local laws.

The State Auditor's Office employees are located around the state to deliver our services effectively and efficiently.

Our audits look at financial information and compliance with state, federal and local laws on the part of all local governments, including schools, and all state agencies, including institutions of higher education. In addition, we conduct performance audits of state agencies and local governments and fraud, whistleblower and citizen hotline investigations.

The results of our work are widely distributed through a variety of reports, which are available on our Web site and through our free, electronic subscription service. We continue to refine our reporting efforts to ensure the results of our audits are useful and understandable.

We take our role as partners in accountability seriously. We provide training and technical assistance to governments and have an extensive quality assurance program.
