The Washington Department of Social and Health Services (DSHS), Juvenile Rehabilitation Administration (JRA) is seeking a Special Use Permit from Skagit County to operate a group home for youth.

The proposed facility will serve up to sixteen (16) youth in a residential environment, to focus on life skills, education or vocation pursuits, and some youth working jobs in the community. Many will be enrolled in the Cascade Job Corps Program also located on the campus.

This is the first of two public meetings. This will be an opportunity to learn more about the program, ask questions, tour the facility, and provide comments.
