

**FRUITDALE ROAD & McGARIGLE ROAD & SR 9  
PEDESTRIAN/BICYCLE SAFETY AND ROAD  
IMPROVEMENTS PROJECT**

**UPDATED NOTICE OF STREET CLOSURES**

December 10, 2009

This news release is in regard to removal of the road closure for a portion of the above project. On Monday, December 14, 2009 Fruitdale Road from SR 20 to McGarigle will reopen to thru traffic. Due to weather conditions the final lift of asphalt has not been installed. As a result load restrictions will apply. We anticipate completion of the work in March 2010.

McGarigle Road from Carter to Fruitdale will remain closed to thru traffic until further notice.
