Re: City of Sedro-Woolley's Jameson Arterial Extension to SR 9 project
Best City Excellence Award

Dear Mayor Johnson:

On behalf of WSDOT Local Programs and the Federal Highway Administration, I would like to congratulate you on the Jameson Arterial Extension to SR-9 project selected for the *2018 Award of Excellence* in the *Best City Project* category. This project was selected due your City's practical solutions approach and community engagement that made the realignment of Jameson possible and affordable, while providing a safer and more convenient access for east/west traffic.

I look forward to presenting this award to you at any Sedro-Woolley Council meeting or gathering of your choice. Local Programs Engineer Mehrdad Moini will be in touch with your staff regarding where you prefer and who will be present for this presentation. All those involved are welcome to attend this memorable event.

Once again, congratulations! We look forward to recognizing this achievement with you and your peers. If you have any questions, please feel free to contact your Northwest Region Local Programs Engineer Mehrdad Moini at 206.440.4734.
