In regards to the project
at 523 Ball St. SW.

I reside at 531 Ball St my
name is Ine Ewing

(Concerned) My problem is that I don't
like the road across so close
to my house + fence, and also
the traffic coming in + out of
that area, trucks taking out the
loads of trees etc. dust, and
noise also.

No Burning, my hedge trees
are so dry inside would
burn really fast.

also is that lot
big enough for
a house?
