

## FAQ for the New Curbside Food & Yard Waste Program

**Why is my cart a different color?** The city has chosen a new style of toter to roll out our new program. (See Below)

**My cart looks smaller?** Toters come in different shape and sizes; these were chosen for ease loading for our customers. They still hold 96 gallons worth of materials

**Will I get billed extra if I want an extra Food & YW toter?** Yes, you must subscribe to the program it is voluntary.

**Are my days going to change?** Yes we have opted to do pickups on Mondays Please have your toter at the curb by 6 am.

**Why is the City now providing service?** The city council has chosen to have the garbage and Recycling dept. provide this service in house to provide excellent customer service and save you money.

**What are the rules for Curbside Food & YW?**
