To whom it may concern:

We own rental property across the street from the rental houses owned by Ivarsen Holdings on Ball Street. We understand they have made application for a short plat at the parcel (77102) where the houses addressed 523 & 527 Ball are located. We also understand that there will need to be a lot width variance necessary to allow the short plat application to move forward.

We support the proposed short plat, and have no objection to the lot width variance.

Sincerely,

Bill Soren
