RE: Sedro Woolley Public Library  
TO: Sedro Woolley City Council  
On behalf of the residents  
of Sedro-Woolley, I would like  
the matter of Public Library  
put on the voting ballot -

Sedro-Woolley Public Library is  
for the people as a whole.  
NOT: one or two individuals  
= calling the shots.

Thank you, Council members -
