

Managing Stormwater Facilities: Maintenance Guidelines for Private Property Owners and HOA's

A FREE on-line workshop to assist neighborhood associations, business owners, and property owners who are responsible for maintaining a stormwater detention pond or other stormwater drainage systems in their neighborhood

*Learn how to care for detention ponds
in your neighborhood.
Course materials and handbooks
will be provided.*

You are invited
FREE Online Workshop - join us from the
comfort of your own home!

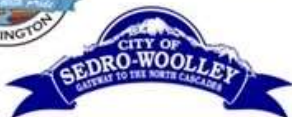

THURSDAY, JULY 15th, 2021
5:30 p.m. - 7:00 p.m.

REGISTRATION REQUIRED

Please register by Tuesday, July 13th
Kristi Carpenter, Skagit Conservation District
Email: kristi@skagitcd.org

Topics include:

- How stormwater management systems work
- How to keep your system in compliance with new regulations
- Step-by-step instructions for routine maintenance to prolong the life of your detention pond, improve its appearance, and prevent flooding and property damage
 - How to plan, budget, and assess the neighborhood for upkeep costs
- Basic things all stormwater facility owners should know and do...and, more!

Sponsored by:

*Skagit County, the Cities of Anacortes, Burlington, Mount Vernon, and Sedro-Woolley, Port of Skagit County,
Kulshan Services, and the Skagit Conservation District*
